Nairobi, Kenya

PROFILE

Hi, I'm Patricia, a dedicated and innovative educator with a passion for inspiring students and fostering a love for learning. I excel at communicating effectively with students, parents, and colleagues to create a collaborative and supportive educational environment. I am committed to providing excellent service and support to my students, helping them achieve their academic goals.

Currently, I'm seeking a teaching position that offers opportunities for growth and increased responsibility. Given the chance and the right support, I am confident in my ability to deliver exceptional educational experiences and contribute meaningfully to the academic success of my students.

EXPERIENCE

Mathematics & Physics Teacher - The Komarock School

(May 2023 – August 2023)

As a Mathematics & Physics teacher-in-practice, I:

- Planned innovative and creative lessons.
- Incorporated technology in teaching to foster student engagement.
- Helped students exceed predicted grades by providing constructive feedback on coursework.
- Held revision sessions to help students revise for exams.
- Marked work in line with departmental and school marking policies.
- Conducted student assessments to determine areas for improvement and achievement to highlight.
- Created classroom environment conducive to learning.
- Took part in outdoor programmes; from games to clubs and societies.
- Developed students' familiarity and competence with needed concepts, and vocabulary.
- Managed student classroom behaviour and administered discipline in line with board policies.
- Developed lesson plans following government curriculum syllabi.
- Contributed to departmental and school-wide meetings.
- Improved student grades through ongoing motivation.
- Provided one-to-one tutoring to struggling and underachieving pupils.

Team Leader - Kenyatta University, KU Christian Union & NET KU

(2017 - 2021)

- Fostered a collaborative environment that encouraged open communication and innovative problem-solving.
- Conducted regular team meetings and training sessions to enhance team performance and professional development.
- Provided guidance and support to ensure success of different events.
- Oversaw multiple projects and events from inception to completion, coordinating efforts across various departments.
- Mentored junior members, providing coaching and support as needed. to develop their skills and career growth.
- Collaborated with other departments to address and resolve disputes and issues among members efficiently.
- Developed training programs to enhance the team's skills.
